

Warehouse Positions

BlueCrew is an on-demand staffing platform that brings short-long term positions to you. We are different from other on demand services because we actually hire our employees as w-2 employees. Which means instead of our employees being paid a flat rate for the day, they are paid hourly and are eligible for overtime.

We are looking for professional and reliable Warehouse workers. Great candidates will have a chance to build out their work schedule to fit their needs.

Ideal Candidates Will Have:

- Excellent customer service with a positive and professional attitude.
- Experience working with teams.
- Ability to maintain a regular schedule with prompt attendance.
- Strong work ethic and integrity.
- Learn new technology and enjoy problem solving.
